Maybe even better than free.

Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. We have no file size limit. Keep your files private, or send your download links only to friends or family. When you use file, you avoid storing the file you're sending in your cloudstorage or mail server. File is free to use with no gotchas and no hidden fees. Simply upload your file and share the link. Files can be downloaded from anycomputer from our high speed servers. Using file, you can circumvent those limits without paying to upgrade your team chat service. You don't need anyspecial software installed to be able to download your files. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Youdecide who you want to share your files with. Just upload the file you want to share with your friends and we send you a download link to your file. Our serviceis completely free for everyone. The cost of that data transfer is covered by your internet service or the data plan on your phone. Unfortunately, we can't makethat part free. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files thatcan be transferred within their apps. There are no restrictions on the number of times a file can be downloaded. Alternatively you can choose to share yourdownload links on blogs, forums and social networking sites. filehosting provides an easy possibility for you to send large files to your friends. Any file in anyformat can be uploaded and downloaded for free. So try our free and simple filehosting service now. You can give this download link to your friends by mail orinstant messenger. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between yourcomputer or phone and our servers, then from our servers to your friends device. It is also allowed to link to the download page from websites and communities.You can upload any type of file (movies, music, documents, images, zip files and more). No account or credit card is required to get started. If only we could,we surely would! On the other hand, using file can actually save you money.
